TREATMENT TIMES

Treatment times are the total time from the time you are picked up from our spa reception until the therapist leaves. They are usually slightly shorter than the time stated in the brochure.

CLOTHING

Please wear a bathrobe and slippers for your treatment. To protect your privacy, we will provide you with a disposable pair of panties for each treatment. We also work with various covering techniques. For some treatments, you can optionally wear comfortable clothing – we're happy to provide further information! Please wear comfortable clothing and sturdy shoes to our activity program or fitness sessions.

VALUABLES

We recommend that you arrive for treatment without any jewelry and, for your own safety, lock any valuables in your room safe. We assume no liability for lost valuables.

PAY

Generally, treatments are booked to your room. Of course, you are also welcome to pay in cash or by credit card.

INDIVIDUAL WISHES

We want to address your individual needs. Therefore, before treatment, we will ask you what is most important to you. Competent advice is an integral part of the treatment and is very important to us.

FOOD AND DRINK

For hygiene reasons, we kindly request that you do not consume any food in our wet areas. We also ask that you do not use glass in these areas. Drinks should only be served in plastic cups.

Beach bag/bathing slippers

You'll find a beach bag in your room upon arrival. For the sake of the environment, we ask you to use your towels sparingly during your stay. Bathing slippers are available at the reception if required.

To ensure that all guests can enjoy our spa in peace, the entire area is non-smoking. We also ask that you turn off your mobile phone or turn it off to mute and make phone calls outside the spa so that other guests are not disturbed.

No liability can be accepted for the use of fitness equipment, water slides, play equipment, etc. Parents are responsible for their children.
